This new generation of mobile screens is simple, compact and robust

Casing

Telescopic upright

Back view

- Black anodised aluminium case
- Simple front fabric 16:10 format
- The height is adjustable thanks to a telescopic upright and a tilting device ensures parallax compensation
- A tensioning device has been specially designed to hold the screen surface taut and wrinkle free
- The opaque projection surface bears black borders
- Matt white screen gain: 1,1
- Fire resistant projection surface
